

Just A Thought... continued

It was the small miracle in his own life. Even though God had done a similar thing in Sarah and Hannah and Rebekah and Rachel, Zacharias refused to believe that his wife could bear a child.

Zacharias did something we often do. We believe in the big things of God – like Creation, Salvation, and Heaven. But when it comes to miracles in our daily life, we limit Him. It's as if we say, "Yes...God can create the earth in 6 days, be born as a baby to a virgin, and make a way for us to go to Heaven, but He can't possibly change me, fix a relationship, or get me a job."

And God's answer is, "Yes I can." You see, the biggest miracle has already been done—Jesus. Everything else is small to God. So maybe today, like Zacharias, you believe there is something too big for God. Something even He can't fix. And the story of Zacharias and Elizabeth reminds us that there is nothing too hard for God and He is still in the business of doing miracles. Especially in *your own life*.

Not a sermon...just a thought.
