

SCIENCE STATION

A Middle & High School Science Class Overview for the 3rd Quarter from Mrs. Gieger

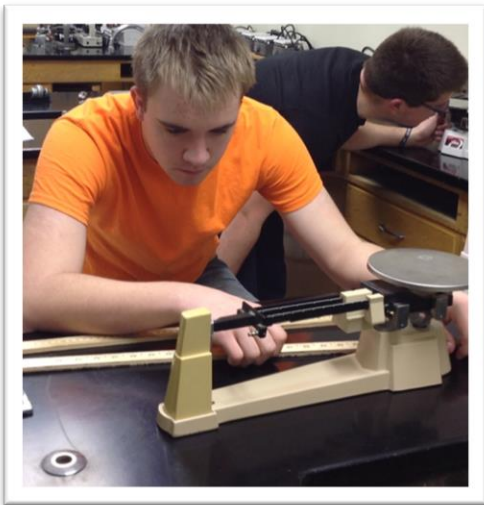

“Dan the Snake Man” came for a visit on April 20th and brought a variety of snakes and reptiles to show off to 7th – 10th grade students.

Jimmy DuVall is pictured with “Dan the Snake Man” and “Boo,” the Burmese Python.

Matthew Diers holding a baby tortoise.

Mason Bookamer(l) and Matthew Diers (r) working in a Physics Lab.

Time for Frog Dissections!

Pictured working together are Lisa Miedema and Malory Evans.

Life Science and Biology students had to do a Science Presentation this year. Allison Wier brought in her rabbit as her visual aid.

7th & 8th Grade Family Consumer Science
